Salt Studios and The Hi-Fi

Salt Studios has been providing a quality In-house live recording service at The Hi-Fi's Melbourne venue since early 2008. In this time we have recorded and mixed over 200 live performances. A selection of these recordings feature on "The Hi-Fi Live" a dedicated promotional live music stream that promotes live performances from the Hi-Fi's stage visit www.thehifilive.com.au We now also provide the same quality location recording service at the Hi-Fi's Brisbane venue.

Salt Studios Recordings at The Hi-Fi

All Salt Live recordings are executed by experienced recording engineers using Pro Tools HD via the Venue's Digidesign D Show Console. Extra room and audience microphones are set up to record and capture the atmosphere and energy of the live performance.

There are a range of options and packages available to record labels and artists recorded by Salt Studios at the Hi-Fi

These include:

1 - Obtaining the raw multi-track data files

You can now easily obtain the raw multi-track data files of your live Hi-Fi performance simply contact Salt Studios for more information. Raw multi-track files are ideal for bands and artists and artists that have their own post production facilities

Note - Raw multi-track data is backed up to DVD as 24 bit 48 khz BWAV.

2 - Mix and Master at Salt Studios by experienced mix engineers

Salt Studios can post produce your live Hi-Fi recording to create useful releaseable products such as: Live Albums / Live EP's / Bonus Tracks as well as live content for web based promotion.

3 - Single Mixes

You may not want to mix your entire live performance. Salt Studios also offers the option to only produce single songs from your live set. Just let us know what song(s) you need mixed and we can have it done for you

4 - Promote yourself to thousands of fans on "The Hi-Fi Live"

After your recording has been produced you can submit it to be streamed and promoted on "The Hi-Fi Live". The Hi-Fi Live is regularly promoted to over 60,000 subscribers on a monthly basis. For more details contact Salt Studios on Tel +61 3 9592 4233 Em info@saltstudios.com.au
